

VitalOxide®

Exceptional Performance, Easy to Use

ONE PRODUCT, SEVEN SOLUTIONS!

Vital Oxide is an EPA registered hospital disinfectant cleaner, mold killer and super effective odor eliminator. Ready to use with no mixing required, just spray, wipe or fog right from the bottle. Non-irritating to the skin and non-corrosive to treated articles.

- 1 EPA Registered Hospital Disinfectant**
Proven to kill a wide range of viruses and bacteria Vital Oxide won't contribute to the formation of mutating "super bugs", and does not contain volatile organic compounds (VOCs).
- 2 Food Contact Sanitizer – No Rinse Required NSF Registered (D2) Sanitizer**
99.999% Sanitization on food contact surfaces. Vital Oxide is fragrance free and won't alter the taste of food on sanitized surfaces. Vital Oxide kills 99.999% of bacteria, including e Coli, Salmonella and Listeria in less than 60 seconds.
- 3 Molds & Mildew Killer**
Kills and prevent spores with up to 7 months residual effects. Safe on a wide range of surfaces from marble to carpeting and beyond.
- 4 Allergen Eliminator**
Proven effective on pet dander as well as dust mite and cockroach allergens. Can be used directly on pet bedding & sleeping areas.
- 5 Odor Eliminator**
End malodors caused by smoke, trash, septic systems, stale cooking & more. Vital Oxide contains no masking agents or fragrances and is highly effective at neutralizing urine and fecal odors.
- 6 HVAC and Air Ducts**
Vital Oxide is used in HVAC and Air Ducts for antimicrobial control, including bacteria, mold, mildew and other fungi, leaving the HVAC systems and Air Ducts free of microbial contamination and ensuring air quality.
- 7 Soft Surface Sanitizer**
Vital Oxide can be used as a sanitizer on a wide range of soft surfaces. Vital Oxide kills odors and odor causing bacteria on soft surfaces by eliminating the source. Great for upholstery, curtains and auto interiors.

Multi-Surface Formula

GREAT FOR:

- Hospitals and health care facilities
- Medical and science research labs
- Restaurants, cafeterias, food service facilities
- Cruise ships, hotels, hospitality services
- Schools, universities, educational facilities
- Jails, prisons, correctional institutions
- Government and public service offices

VitalOxide

Exceptional Performance, Easy to Use

WIDE-RANGE OF USES!

EXCEPTIONAL PERFORMANCE

Economical & Easy to Dilute

Vital Oxide has three dilution ratios:

- ✓ **Full Strength** – For Hospital Disinfectant
Heavy Duty Odor Eliminator & Mold and Mildew Killer
- ✓ **5:1** – For Carpet Sanitization
Vital Oxide is compatible with most synthetic carpeting and commercial cleaning machines.
- ✓ **9:1** – For 99.999% Sanitization on Food
Contact Surfaces with No Rinse Required
30 second kill time on *Escherichia Coli* & *Staphylococcus aureus*. Great for daily use.

Available in Convenient Sizes:

- 3 oz – Travel Bottle
- 32 oz – Trigger Spray Bottle
- 1 Gallon – Bottle
- 2.5 Gallon – Bag in a Box

Breakthrough Technology

We have designed our product around a chemistry that is unique in all of nature. Effective on a broad spectrum of viruses, and bacteria, including “super bugs” like MRSA and H1N1, Vital Oxide breaks down to simple salt and produces no harmful by-products.

Vital Oxide includes components that dramatically decrease the size of its particles. This increases the ability of the active solution to spread and penetrate both hard and porous surfaces. This also makes it effective against airborne pathogens by reducing droplet size from sprayers and foggers.

“As the president of a microbiology new antimicrobial technologies often. After extensive testing, I can comfortably say that Vital Oxide is one of the most exciting new technologies on the market. Its dual-active system cleans well and is effective against a wide variety of pathogens – most importantly, it does the job quickly.”

Benjamin D. Tanner, Ph.D.
President, Antimicrobial Test Laboratories

SAFE, EFFECTIVE & LONG-LASTING

- USEPA Reg. No 82972-1 in all 50 states and Puerto Rico
- NSF rated (D-2) No Rinse Required on Food Contact Surfaces at full strength
- pH balanced
- Shelf stable - over one year shelf life
- No special shipping or handling instruction
- Fragrance free, with no offensive odor or taste
- Non-corrosive safe on treated articles like carpeting, fabrics, natural stones, plastics
- Non-irritating to skin no glove required

VITAL OXIDE IN ACTION

- Used in emergency response to eliminate Norovirus out-breaks.
- Clinical trials have shown a decrease of 95% in Health-care Associated Infections (HAI'S) of *Acinetobacter spp* in hospital environment.
- Used in disaster response to eliminate mold and mildew from flood damage.
- University and government sponsored studies document long-term effectiveness on mold and mold spores, even eliminating mold spores.
